Imperative: Kuliana

Model what it means to be an indigenous-serving and indigenous-centered institution: Native Hawaiians thrive, traditional Hawaiian values and knowledge are embraced, and UH scholarship and service advance all Native Hawaiians and Hawai'i.

- Develop a recruitment plan for Native Hawaiian students
- Create an equity scorecard to capture student, faculty, program and staff data
- Rename campus buildings in 'Ōlelo Hawai'i
- Identify aligned needs and opportunities to support Native Hawaiian organizations that highlight the “interconnectedness” of self, land, family, and community
- Collaborate with community and indigenous institutions for input on a Native Hawaiian Student Learning Outcome

Imperative: Student Success

Develop successful students for a better future

- Develop Pathways to KauCC from HS Academies to include OCET courses that offer certificates and credentials
- Develop an `Ohana Resource Center that provides assistance with child care and parenting for student parents
- Review content and delivery of new student orientation to include a Mālama Matrix (Care Plan intake form)
- Provide an increase in healthy food access for faculty, staff, and students, including identifying a larger space for the food pantry
- Provide more support to ELL students
- Provide programs at KCCC
- Work with Good Jobs Hawaii to offer new certificates/micro-credentials
- Create ad hoc ISS working group to identify and implement action plans for a current collegewide student success issues

Imperative W: Workforce

- Annually evaluate the Ka Papa Hana Holomua: Academic Affairs Plan
- Revitalize CTE advisory boards and develop advisory boards for transfer and OCET programs
- Identify transfer partners at four-year universities for transfer programs
- Create alumni program marketing plan for recruitment and active engagement

Imperative: Diversify

Diversify Hawai'i's economy through UH innovation and research

- Create a working group to develop and promote ideation and incubation hubs
- Identify a committed space for an ideation and incubation hub
- Find opportunities for funding an ideation and incubation hub coordinator through community partnerships
- Identify key area hubs to be created or developed such as Climate Resilience, Ulutopia, Apiary, Renewable Energy, Health and Wellness, Sustainable Food Systems and Food Access, Affordable Housing
- Create a virtual database of indigenous knowledge around key focus areas for use by students and community
- Create a Kauai CC Student Mākeke (Market)
- Identify novel indigenous-serving institutions to create and foster knowledge-sharing exchanges while continuing to foster existing relationships
