

Nondiscrimination Policy for Career and Technical Education Programs

The University of Hawai'i does not discriminate on the basis of race, sex, age, color, national origin, or disability. For inquiries regarding our nondiscrimination policies, please contact your campus designee noted at the bottom of this page.

UHCC offers Career and Technical Education (CTE) Programs of Study leading to Associate of Science (AS) and Associate of Applied Science (AAS) degrees, as well as post-secondary certificates, in career fields such as arts and communications, business, health services, industrial and engineering technology, natural resources, and public and human services. For more information, visit our website at <http://uhcc.hawaii.edu/programs/index.php>. UHCC applies an open access policy, with program admission based upon the completion of applicable course/testing prerequisites. The lack of English skills will not be a barrier to admission and participation in CTE programs.

For more information or inquiries regarding these policies, or for language translation assistance, please contact the Kaua'i Community College Title IX Campus Coordinator Isaiah Kaauwai. The office phone number is (808) 245-8260, and the email is ikaauwai@hawaii.edu.
